## **2011 CLUB CHAMPIONSHIP REGULATIONS**

This booklet contains regulations for the club championships to be run during the year.

The aims of the championships are to give every club member the opportunity to compete for an award, regardless of whether they are a competitor, a marshal or a social member and to encourage involvement in the club activities.

*The changes to the rules are shown in italics.*

We welcome once again sponsorship for this year's marshal's championship from Coronado Controls who have donated £500. This is in addition to the £500 that is allocated by the club to the all-rounders championship.

Any club member winning an award in the ANCC, ANWCC, AWMCC, EMAMC, SD34 championships or any other approved by the committee will receive free club membership for the following year (or a reduction of £7 from a family membership).
